EXHIBITOR CHECK OFF LIST

Microchip

Starting December 1, 2026, all Purebred, Half-Arabian, and Anglo-Arabian horses competing in any USEF-sanctioned event will be required to have a microchip.

Just like the peace of mind a microchip provides for dogs or cats, your horse can benefit too.

Microchips can simply record your horse's identity or offer advanced features like monitoring temperature. All at the swipe of a wand. Imagine checking your horse's temperature instantly!

To comply, submit a Microchip Verification Form to add the microchip to our permanent database (required), or optionally submit your original Certificate of Registration to have the microchip number added for \$20 for members or \$75 for non-members.

Ensure your horse is ready for competition—don't wait!

AR221 Ranch Horse Riding

The purpose of the ranch riding class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one ranch task to another. The horse should reflect the versatility, attitude and movement of a working ranch horse riding outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins. The overall manners and responsiveness of the ranch riding horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement are of primary considerations. The ideal ranch riding horse should have a natural head carriage at each gait. For rules regarding correct Western appointments, refer to AR144.

1. Each horse will work individually, performing both required and optional maneuvers. Horses will be scored on the basis of 0 to 100, with 70 denoting an average performance. Each maneuver will receive a score that should be added or subtracted from 70 and is subject to a penalty that should be subtracted. Each maneuver will be scored on the following basis, ranging from plus 1 1/2 to minus 1 1/2: -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, + 1 very good, + 1 1/2 excellent. Maneuver scores are to be determined and assessed independently of penalty points.
2. The required maneuvers will include the walk, trot, and lope both directions; and the extended trot and extended lope at least one direction; as well as stops, and back.
3. Three optional maneuvers may include a side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog, or lope over a pole(s); or some combination of maneuvers that would be reasonable for a ranch horse to perform.
4. The maneuvers may be arranged in various combinations with final approval by the judge.
5. The overall cadence and performance of the gaits should be free -flowing and ground covering for all gaits, with an emphasis on forward movement. Transitions should be performed where designated, with smoothness and responsiveness.
6. No time limit.
7. One of the suggested patterns may be used (from the current AQHA Handbook and found on AHA website), however, a judge may utilize a different pattern as long as all required maneuvers and the three (or more) optional maneuvers are included. Should a judge use one of his/her own patterns, it is recommended to not have the stop following an extended lope.
8. The use of natural logs is encouraged.
9. Posting at the extended jog is acceptable.
10. Touching or holding the saddle horn is acceptable.
11. Hoof polish is discouraged.
12. It is customary to not remove the hair from the insides of the ears, but horses with clean clipped ears will not be penalized.
13. Trimming of the bridle path, fetlocks or excessive (long) facial hair is allowed.

14. Appointments with silver should not count over a good working outfit. Silver on bridles and saddles and the use of weighted reins is discouraged.

15. Ranch Horse Penalties - A contestant shall be penalized each time the following occur:

Ranch Rail Pleasure: Class Specifications: This class is intended as a rail class. Horses to enter at walk or jog in either direction at discretion of the judge. Entries will be worked both directions of the ring at all qualifying gaits (walk, trot, extended trot, lope, and extended lope). The horse should be well-broke, relaxed, quiet, soft, and cadenced at all gaits. The horse should be ridden on a relatively loose rein with light contact and without requiring undue restraint. The horse should be responsive to the rider and make timely transitions in a smooth and correct manner. The ideal ranch rail pleasure horse should have a natural head carriage at each gait. This class should show the horse's ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations.

Tongue Stabilizer: AR105.11 Exception: A single inconspicuous tongue stabilizer, made of soft, pliable material that gently secures the tongue in its normal position against the lower mandible, is permitted in the show ring for any horse competing in Park, English Pleasure, Country English Pleasure, Mounted Native Costume, English Show Hack, Formal Driving, Pleasure Driving, Country Pleasure Driving and Saddle Seat Equitation and for use by any horse competing in Ladies Side Saddle in English Show Hack attire (see AR156.1a) or in English attire (see AR132.1a), Walk-Trot/Walk-Jog 10 & Under in English attire (see AR132.1a) and ATR/JTR/AATR WalkTrot/Walk-Jog 11 and Over in English attire (see AR132.1a). Only one tongue stabilizer may be used on a horse and the tongue stabilizer must not restrict blood flow to the tongue and/or cause discomfort to the horse.

AWWA RANCH DISCIPLINED RAIL PLEASURE

The AWWA is proud to introduce a new Ranch class to serve the needs of an expanding exhibitor base. Entries will be shown and judged in accordance to the Ranch Rail Appointments and Conduct (AR242) as set forth in the Arabian Division of the USEF Rule Book. The Class Procedure for Ranch Discipline Rail Pleasure is noted below.

CLASS PROCEDURE:

The purpose of the AWWA Ranch Disciplined Rail Pleasure class is to show the ability of a well-trained Ranch Horse to be used as a work partner and companion. Horse should be willingly guided with smooth transitions and quality movements.

Judging shall be based on the best overall ranch disciplined rail performance. The class is not a game, nor a fault and out elimination class. Horses must not be over-worked. Safety of horse and rider are of first- priority.

1. Each horse enters the arena individually at the trot proceeding up centerline. At mid-point, they will extend the trot to the end of the arena. At the end of the arena exhibitors turn left or right at the direction of the ring master and proceed down the long wall. Before reaching the in-gate exhibitors will transition to the walk and halt. Horses are to stand quietly as each exhibitor enters the arena.

2. When all exhibitors have performed the individual entry maneuver the call judge will work horses on the rail as a group at the walk, trot, and lope both directions of the ring. An extension of any gait may be called.

3. Exhibitors will be asked to perform additional work. Work may include, but it not limited to:

- a. Hand gallop
- b. Flying or Simple change of lead
- c. Halt & stand quietly on rail
- d. Side pass either to left or right
- e. Turn on hind quarters
- f. Turn on forehand
- g. Starting into lope from a halt
- h. Extension of any gait

4. Upon completion of rail work, horses will be lined-up side-by-side in center of arena. Individually, exhibitors will ride forward from line, turn a 360 in either direction, and then back into the original place in line.

The AWWA Ranch Discipline Rail Pleasure class will be offered at the 2026 Youth/Mid-Summer Nationals show in Oklahoma City, OK.

Horses nominated to the AWWA Incentive Fund will receive bonus prize money.

A list of Incentive Fund horses is at www.ArabianWorkingWestern.com
